The ASU Water Polo Club is thrilled to announce the **21st Annual Desert Duel Water Polo Tournament** in 2005! This incredible event has a long history of outstanding competition and great fun and will be hosted once again at the two Arizona State Aquatic Centers in Tempe, Arizona. Tournament dates are April 15-17, 2005 and teams should be prepared to play as early as 5pm Friday and as late as 3pm Sunday.

This tournament will be limited to approximately 16 teams in the Men's Open division and 8 teams in a separate Co-Ed Division. Co-Ed teams will be required to have a minimum of 2 women in the water at all times. Please specify which division your team will be competing in on the entry form.

Entry fee is \$550 and teams will be guaranteed a minimum of 5 games. Entry form must be returned with check payable to ASU Water Polo Club. Entries must be received by **February 1, 2005**, but early entry is recommended as this event historically fills up quickly and *we have reduced the tournament to 24 teams this year in order to run a more effective event with the pool time available.*

Please send entry form and check to:

This is a USA Water Polo sanctioned event, and as such, all teams and players must be registered with USA Water Polo. Complete player rosters and USWP validation will be required by March 1, 2005. There will be no exceptions to this requirement.

The ASU Water Polo Club does not have the manpower to support this tremendous event without the support of the attending teams. As in recent years, we will be requesting help from teams to work the score tables immediately following their games. We have had great cooperation in the past from our participating teams and want to continue the tradition of teamwork in order to continue to support this enjoyable and competitive event.
