12Katie Robson	6Bonnie St. John	Annie Quinn	1AHeidi Hanson	12Madisen Drury	5Adrienne Coburn
				6Celeste Gomez	

There will still be "open" pick-up games on Saturdays from 9:00-11:00 for \$3 (\$2 for members). We will also continue pickup games on Wednesday nights when the league is over.

#1 Honor the game by showing good sportsmanship.

-Show respect to referees, captains, opponents, and teammates.

We all know that water polo is a very difficult game to referee, please realize that all of the referees are doing the best job they can to be fair, make the best calls possible, and become better referees. It does absolutely no-one any good to yell at a referee. We want to keep the referees that we have and help them to become better, not make them want to quit. Foul language will not be allowed.

-Do not play the game with any attempts to "hurt" people. This style of play does nothing to promote sportsmanship. Grabbing, wrestling, etc. happens, but we must draw the line at striking an opponent. You cannot kick, punch, or strike anyone; this behavior will not be tolerated. To swim out and cheap shot someone is unacceptable. If this is happening please report it to the captains who will report it to the league directors. Appropriate actions may be taken including suspension or expulsion from the league.

#2 Game Rules

- Each team must have 2 female players in the game at all times
- 5 Minute Quarters
- One timeout per game
- No overtime except in playoff rounds
- Men's ball will be used.
- Warm ups need to be done in the 50 Meter Pool.

#3 All Players must be registered and in the USA water polo database or they will not be allowed to participate. Registration available online and you can get an instant printout to show for proof.

#4 team captains will communicate info from the the league directors to the teams.

#5 Gold, Silver, and Bronze Medals will be awarded on the final day.
