

Park City Invite 2004

February 17, 2004

Dear Coach:

In order to provide more opportunities for game experience throughout the spring water polo season, we here at Park City have decided to start up an annual tournament for both boys and girls. It is our pleasure to invite you to bring your team and enjoy the experience.

The tournament will take place at Ecker Hill Aquatic Center in Park City, Utah and will cover two separate weekends, one for girls and one for boys. It will consist of eight teams in pool play and each team is guaranteed four games.

We hope this will allow teams to get numerous games under their belt in a short period of time, providing valuable experience, establish unity among teammates and provide enjoyable memories for the future. We encourage you to take advantage of the beautiful area and facilities by attending this event. We hope the late start will not detract anyone from being able to participate. If any questions arise please feel free to contact Bill Carter (801) 830-2582 or Todd Klarich (435) 645-5617 for assistance. Thank you and hope to see you there.

Sincerely,

Park City Water Polo
