

FIRST ANNUAL UNM WATER POLO INVITE

Dates: March 4 – 6, 2005.

Place: Armond H. Seidler Natatorium (UNM Olympic Pool) Albuquerque, NM 87131.

Entry fee & deadline: **\$300 per team. Payment must be received, not just sent, by Friday, February 18.** Checks should be made out to "UNM Water Polo Club," and sent along with your entry forms to me (address below). If a team has paid its fee, but has to cancel and notifies us by the above date, the entry fee will be returned.

Conditions: **All players and teams from the U. S. A. must be registered with USWP, each such team must have a person registered as a coach with USWP, and that coach must have current CPR and First Aid certification. All of these credentials must be exhibited at the tournament at least 30 minutes before the team's first game; or if by Friday, February 25, we have been informed that a person is entered, and if he is also on the USA Water Polo web site by that date, that will suffice.** USWP liability and accident insurance makes this evidence mandatory. USWP registrations will be possible at the tournament, but it will cost **an additional \$10 per registration.** **At least 30 minutes before its first game, each team must submit a roster with cap numbers** (preferably, do this with your entry form, but if you don't know the roster beforehand, there will be additional forms on site).

If you are interested contact us as soon as possible: Jeremiah Stanton (505.463.9339) or Lance Sjolholm (505.710.1431) You can also email us at flip_81_99@yahoo.com send the entry fee in care of UNM Water Polo Club 630 Monroe SE, Albuquerque, NM. 87108.

It would be very helpful if you would let me know that you are seriously thinking of coming, even if it is not yet certain. The tournament bracket will be emailed out 3-4 days after the entry deadline.

Necessary USWP identification

It is the teams' and players' responsibilities to prove USWP membership. If a player claims to have registered but does not have evidence with him, he should anticipate having to re-register on deck. If USWP determines that he is already registered then USWP will return a portion of the second membership fee (keeping part of it for processing). This will not be necessary if by Friday, February 25, we have been informed that he is entered, and if he is also on the USA Water Polo web site by that date. Teams must have a registered coach. On deck registrations must be completed 30 minutes before game time, and don't expect us to be able to process everybody simultaneously and instantaneously.
